44 The court construes the latest emergency motion filed in this
45 action (#434) as a request for an extension of time to complete the
46 ink testing, not for a clarification of the court's order. The
47
48

1 court's order of April 28, 2014, is quite clear that ink testing
2 shall be completed no later than May 9, 2014. In the recent
3 filing, the court is now being advised that the testing will not be
4 completed until next week in violation of the court's order.
5 Nevertheless, in order to move this case forward, the request for
6 an extension of time is granted, and the time to complete the ink
7 testing is extended to May 14, 2014. The remaining deadlines
8 established by the court are reconfirmed. Thus, JDT must submit
9 its expert report on this issue by May 19, 2014, Union Pacific
10 shall provide any rebuttal expert report on this issue no later
11 than May 29, 2014, and any expert depositions in connection with
12 this issue shall be completed no later than June 13, 2014.

13 IT IS SO ORDERED.

14 DATED: This 7th day of May, 2014.
